

Dear Parent(s)/Guardian(s),

The Greater Ottawa Kingfish priority is the health and well-being of all our student-athletes and staff. We will continue to closely monitor and evaluate developments of the coronavirus (COVID-19) and follow guidance from Ottawa Public Health (OPH), Ministry of Health, and Public Health Ontario .

The following includes an important update on our **Let's GO Swim** program

Let's GO Swim Spring Session – Cancelled – All Pools

- On March 16th, it was announced that all recreational facilities would close until April 5th. With information and updates on closures changing hourly, we have decided to proactively **cancel** our Let's GO Swim Spring Session.
- Decisions such as these are not made lightly, but to limit exposure and the uncertainty of the current situation, we believe this decision is the best for the long-term health of our student-athletes and staff.

Let's GO Swim Spring Session – Reimbursement

- All **Let's Go Swim Spring** Session confirmed registrations will be issued a refund on their credit card by Friday March 27, 2020.
- Please contact Junior@gokingfish.ca if you require any assistance after this date.

Let's Go Swim Spring Session – Pool re openings

- If the City of Ottawa pools open on schedule, GO Kingfish will open a “shortened” Spring session.
- All details will be emailed to families if and/or when it is decided to do so.

We would like to thank you for all your and support in our decisions.
We look forward to seeing you soon.

Please contact Junior@gokingfish.ca if you have immediate questions.
